THE SIXTY-SECOND READ

Everything an agency needs to know — before the first phone call.

Think of this page as our resume, not a brochure. Six honest answers to the six questions every agency asks before they put their name next to a transportation company.

01 WHO WE ARE

A family-owned luxury ground-transportation company based in North Haven, CT, chauffeuring guests across the Northeast since 2007.

02 WHY YOU CAN TRUST US

Licensed by Connecticut and federally (U.S. DOT 1567094), fully insured, and reachable 24 hours a day, 365 days a year. The owners answer the phone.

03 WHERE WE GO

Connecticut and every bordering state — NY, NJ, MA, RI and beyond — plus nine regional airports and every major cruise port in the region.

04 WHAT WE DRIVE

One immaculate, uniformly black fleet: executive sedans, full-size SUVs, group Sprinters, super-stretch limousines, and an all-electric option.

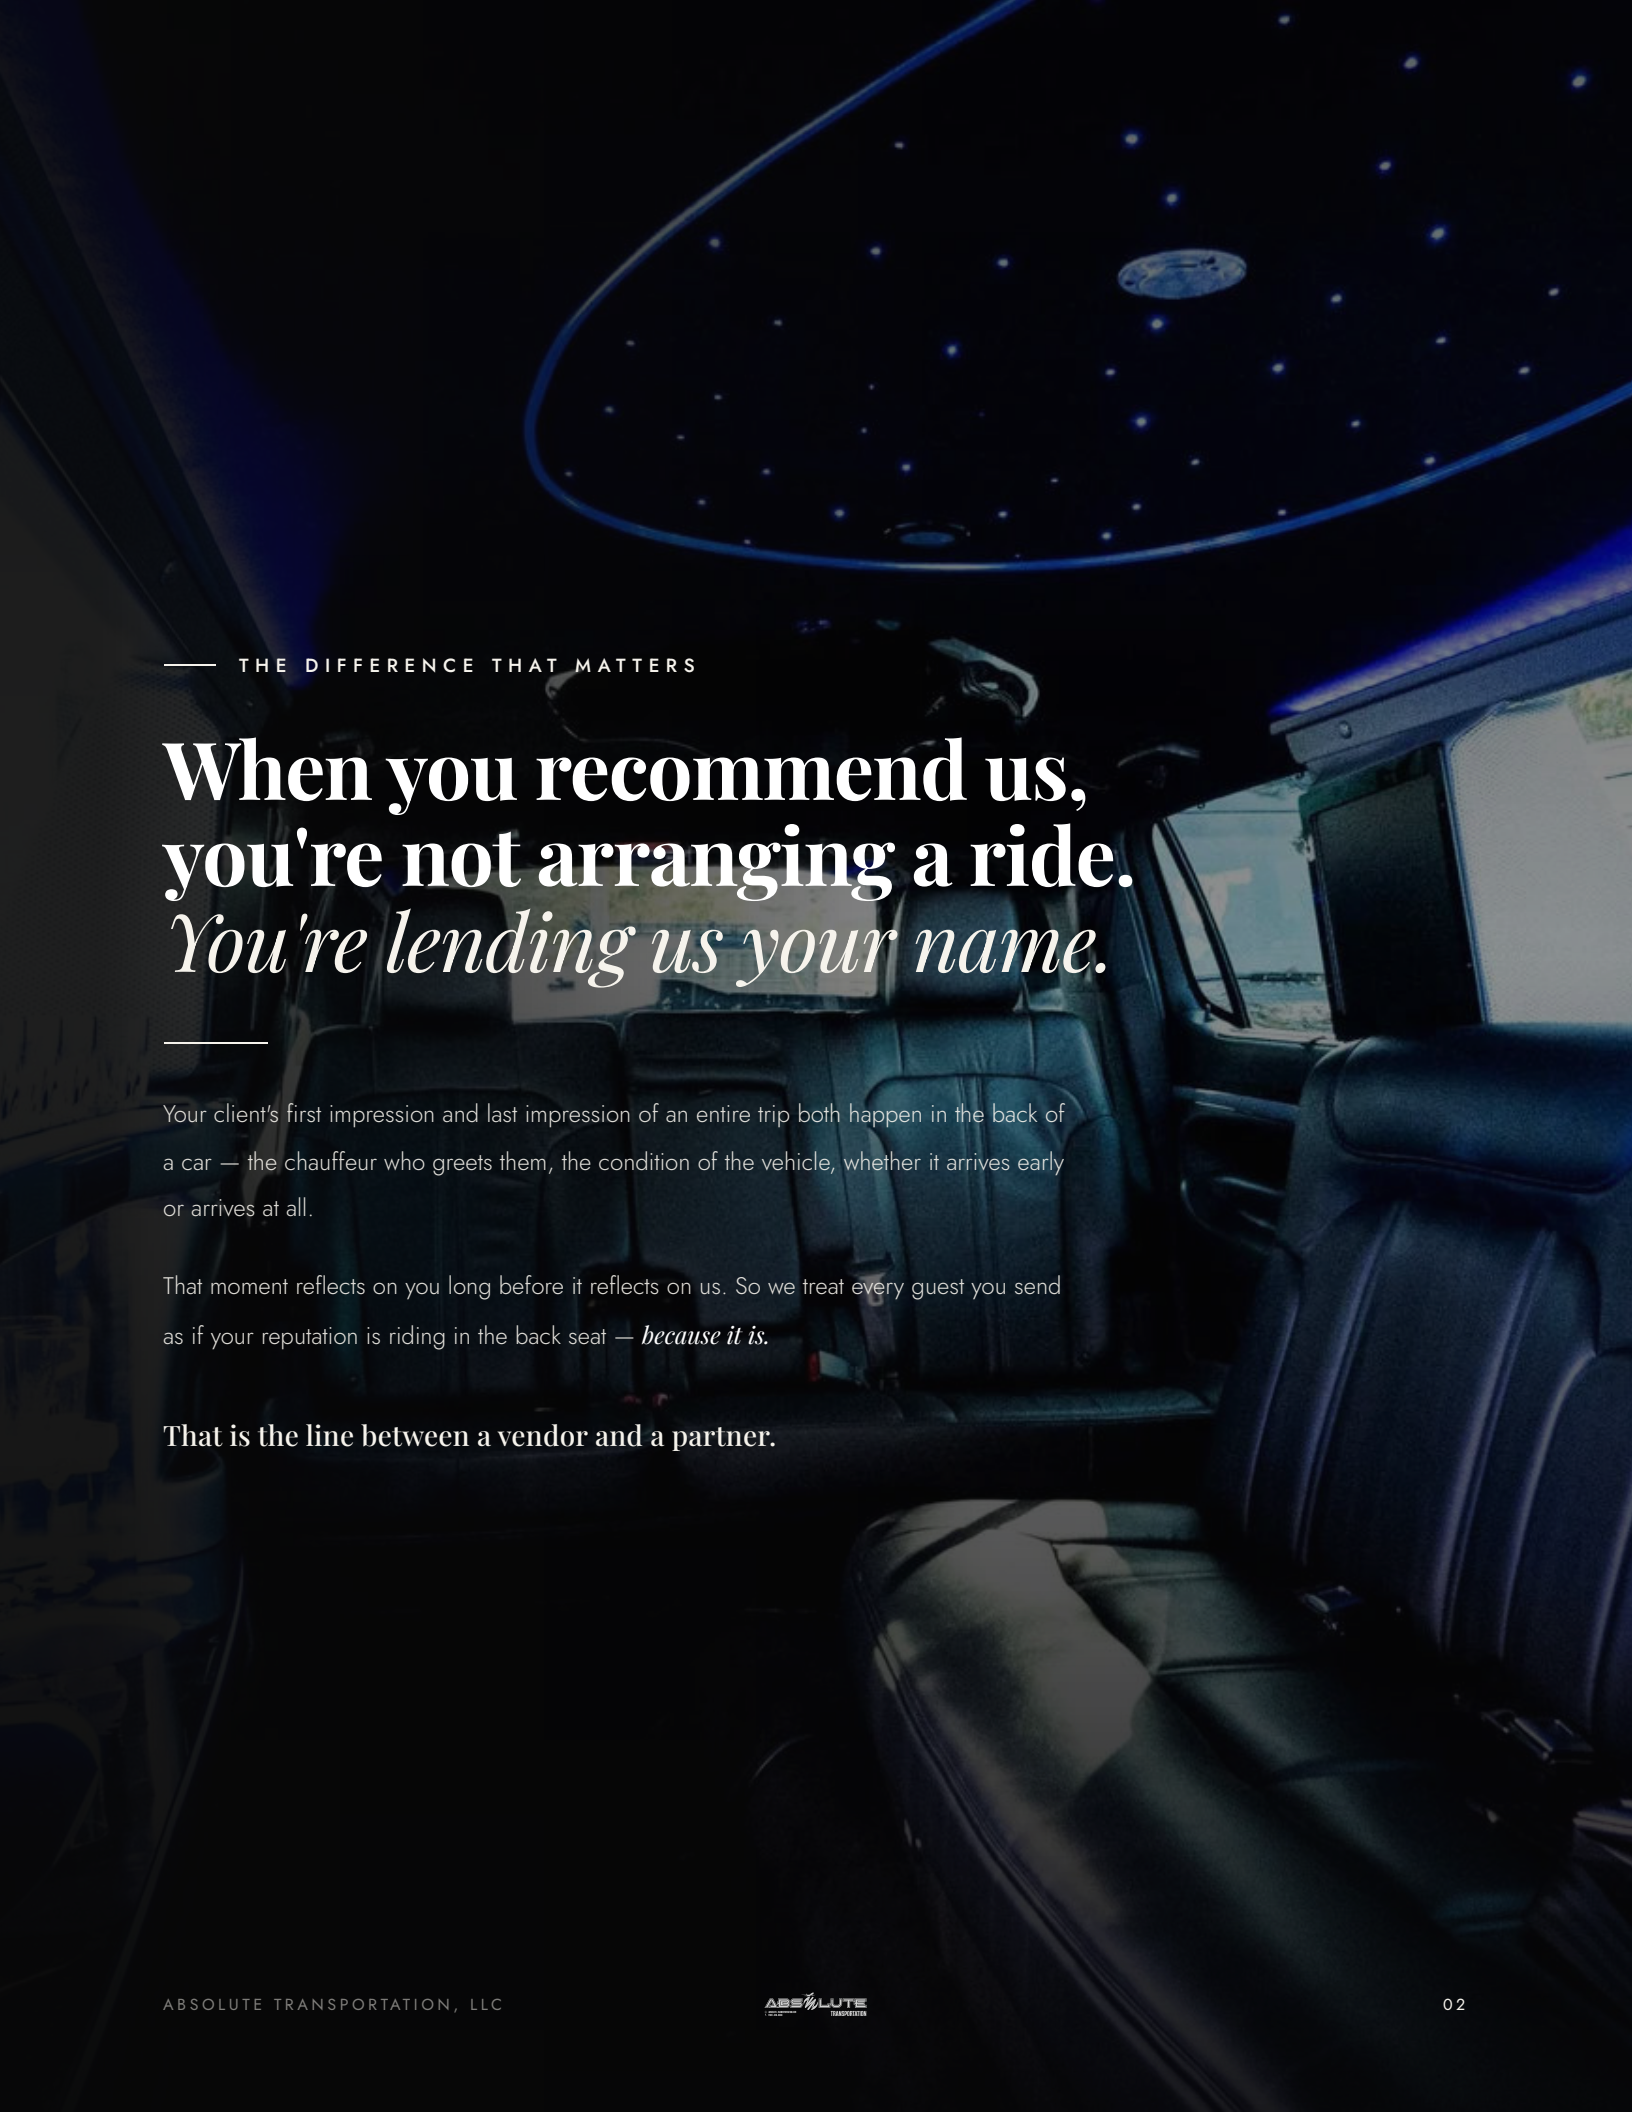

05 WHAT MAKES US DIFFERENT

We don't hand your client a car. We hand them an arrival that reflects the standard your agency already set for them.

06 WHY IT LOWERS YOUR RISK

When a flight slips at 4 a.m. or plans change last-minute, you want a partner who already has the answer. That is the entire job.

2007	24/7	9	10+	CT
FAMILY OWNED	365 DAYS	AIRPORTS	STATES SERVED	LIVERY LICENSED

THE DIFFERENCE THAT MATTERS

When you recommend us, you're not arranging a ride. *You're lending us your name.*

Your client's first impression and last impression of an entire trip both happen in the back of a car — the chauffeur who greets them, the condition of the vehicle, whether it arrives early or arrives at all.

That moment reflects on you long before it reflects on us. So we treat every guest you send as if your reputation is riding in the back seat — ***because it is.***

That is the line between a vendor and a partner.

WHO STANDS BEHIND EVERY RIDE

Family-owned. Personally accountable.

Absolute Transportation was transformed by **Manmohan Komal** — and it is still run by the same family today. That matters more than it sounds.

When you call, you reach the people whose name is on the door — people who know your account and can say yes on the spot. Every trip carries our family's name, so every guest you send receives our full and personal attention.

From our home in North Haven, we serve clients locally, regionally, and nationally — private chauffeured travel, ground and air transfers, and special-needs transportation — each arranged with precision and genuine care.

OUR STANDARD

Immaculate vehicles, professional chauffeurs, and a ride that feels calm from curb to curb. Nothing left to chance.

OUR PROMISE

Reliable, safe, and on time — because every pickup is a promise we've made to you, and keeping it is how trust is earned.

OUR REACH

One dependable partner for the whole Northeast corridor — so every client you send is in familiar, trusted hands.

"We build lasting relationships — with the guests we drive, and with the partners who trust us to represent them."

WHAT FAMILY-OWNED MEANS FOR YOU

To us, every trip is personal: a guest we're welcoming and a partner whose reputation we're carrying. That's why the same people who own the company answer the phone, dispatch the cars, and follow up after the ride. When plans change at the last minute, you reach someone who already knows the details, can make the decision immediately, and cares about getting it right — for your client and for you.

WE TREAT YOUR TRUST AS BORROWED

Your agency spent years earning your clients' confidence. We never take it for granted — arriving early, presenting immaculately, and handling the quiet courtesies that turn a simple transfer into a reason your client thanks you for the referral.

“People don’t remember what you sold them. They remember how well you served them.”

THE FLEET

Every vehicle, a reflection of you.

Each one is detailed before it reaches your client — because when you recommend us, you're recommending how our cars look, too.

Executive Sedan & Crossover

LINCOLN AVIATOR · LINCOLN MKT

The quiet standard for airport runs, executive travel, and the client who values arriving composed.

Luxury Full-Size SUV

CADILLAC ESCALADE · SUBURBAN · EXPEDITION

Presence and space for clients and their luggage — the natural choice for a seamless airport or cruise transfer.

Executive Sprinter & Transit

MERCEDES-BENZ SPRINTER · FORD TRANSIT

Move a wedding party, a cruise group, or a corporate team together — in diamond-stitched comfort, so the group arrives together and refreshed.

Super-Stretch Limousine

LINCOLN SUPER-STRETCH

Fiber-optic lighting, surround sound, and a chilled wet bar. For your clients, the celebration begins at the curb.

All-Electric Option

FORD MUSTANG MACH-E

A sustainable choice for the client who asks — the same standard of care, a lighter footprint.

ONE FLEET, ONE STANDARD

Need to match the vehicle to the occasion? Tell us the guest, the moment, and the party size — we'll recommend the right car every time.

THE STANDARD BEHIND EVERY VEHICLE

Detailed before dispatch

Every interior is cleaned and inspected before it reaches your client — a spotless cabin, every single time.

Maintained & road-ready

Routine service and safety checks keep the whole fleet reliable. Dependability is a schedule, not a hope.

One uniform presentation

All black, professionally kept, never mismatched — a fleet that reinforces your brand instead of competing with it.

Right-sized to the moment

From a solo executive to a 14-guest group or an 8-passenger celebration, the fleet flexes to the trip.

INSIDE THE EXPERIENCE

The details your clients remember.

Starlight ceilings

Fiber-optic lighting that turns a transfer into a moment.

Chilled wet bar

Stemware ready for the toast your client didn't expect.

Hand-detailed leather

Cleaned, conditioned, and inspected before every reservation.

Wood-trimmed cabins

Executive interiors that feel like a private lounge on wheels.

"Comfort is a detail. We just refuse to leave any of them to chance."

THE PEOPLE WE TRUST WITH YOUR NAME

The car makes the first impression. The chauffeur makes it last.

Great chauffeurs aren't found. They're built — and we gladly do the unglamorous work it takes to build them. The vetting. The background checks. The commercial licensing. The training on the hundred small things a client only notices when they're missing — and the standards we refuse to lower even when lowering them would be easier and cheaper. Why go that hard? Because you put your name on the line every single time you recommend someone, and that means something to us. So ours show up early, dressed sharp, and unshakable when travel goes sideways — the kind of professional who makes the trip feel effortless and makes you look brilliant for sending them. Do that enough times, and the trust you've spent years building doesn't just hold — it compounds.

Vetted & Licensed

Background-checked and licensed to commercial livery standards — a known, trusted professional on every trip.

Trained in Hospitality

Meet-and-greet, luggage, and the quiet courtesies that turn a transfer into a five-star arrival.

Local Expertise

Airports, cruise ports, and back-road shortcuts known by heart, so timing is never left to chance.

Discreet & Composed

Impeccably dressed, calm under pressure, and confidential. What happens in the car stays in the car.

WHERE WE TAKE YOUR CLIENTS

Connecticut-based. Regionally relentless.

We are proudly rooted in Connecticut — and, as our clients know, we don't stop at the state line. We serve the entire Northeast corridor and the bordering states beyond it, so you can send one client or an entire itinerary to a single, dependable partner.

THE PARTNERSHIP, IN PRACTICE

How working together actually feels.

No mystery, no surprises. This is the operating standard behind every reservation you send us — the reason agencies stop worrying once they hand us the trip.

01 **Reservations, made simple**

Book by phone or email with the details you have; we confirm every trip in writing so nothing lives only in a memory.

02 **Flights tracked in real time**

We monitor arrivals and adjust for delays automatically. Your client's chauffeur is there when the plane actually lands — not when it was scheduled to.

03 **Meet & greet, done right**

Name-board welcome at baggage claim or the terminal, luggage handled, and a calm walk to the car. First impressions are the whole point.

04 **Cruise pickups, timed to the ship**

We plan around debarkation windows and port traffic, so a returning guest is never left waiting on the curb after a long voyage.

05 **Response you can set a watch to**

Quotes and confirmations come back quickly, and dispatch is reachable around the clock for the changes real travel always brings.

06 **Support when it matters most**

Flat tire, weather, a last-minute schedule change — there is always a live person and a backup plan. That is what 24/7 really means.

07 **Billing that fits your workflow**

Per-trip billing or a standing corporate account, itemized and clean — so reconciling with your books is never the hard part.

08 **Clear, fair cancellation terms**

Straightforward policies shared up front and in writing, so you always know where you and your client stand.

WHEN SOMETHING GOES SIDEWAYS

Real travel breaks plans — a flight diverts, a ship debarks late, a client adds a stop on the way. What separates a partner from a vendor is the next ten minutes. Dispatch runs around the clock with backup vehicles and drivers on call, so a problem becomes a call we absorb — not one that lands back on your desk. You hear about it from us, with a fix already in motion, long before your client notices anything at all.

"Reduce the agency's risk" isn't a slogan for us. It's a checklist we run every single day.

THE QUESTION AGENCIES ASK FIRST

Insured. Licensed. Accountable.

"Are they insured?" is where most partnership conversations begin — and end. With us, the paperwork is ready before you ask.

The answer is a simple yes — with the credentials to prove it. Absolute Transportation is fully licensed by the State of Connecticut, federally authorized as an interstate motor carrier, and fully insured in accordance with Connecticut and federal regulations. A Certificate of Insurance naming your agency is available on request.
